

Janet Videoconferencing Content

Group:

This group exists for Janet users looking for sessions, lectures, and events being offered by content providers like museums, archives and organisations like distance learning providers.

For schools wishing to find and/or book sessions with content providers, please [visit the new content provider web site](#) ^[1].

The new website is a dedicated resource for all teaching staff that showcases sessions available from Janet registered Content Providers. The functionality of this dynamic website makes it easier for you to search for sessions by subject, key stage or by content provider. You can also set up tailored RSS feeds and find out about upcoming sessions.

If you have any questions, please contact Phyllis Callinan on 01235 822263 or email vtas@ja.net ^[2]
