

Janet6

Group:

This group has been created to keep you updated on the Janet6 project - to build the next generation of the Janet infrastructure.

Please use this platform to discuss or ask questions surrounding the Janet6 project. We will also post on this group any opportunities to get involved in events, briefings and discussions.

Further information on the project can be found on the [Janet6 project pages](#) [1].

[Join our blog](#) [2] to get updates from the Janet6 team.

If you wish to discuss the Janet6 with the project team, please email janet6@ja.net [3]

Default group content privacy:
