

NEN Technical Strategy Group

Group:

This group is a working technical group comprised of representatives from the RBCs and local authorities in England, Northern Ireland, Scotland and Wales. The group's aim is to support schools in understanding the technical landscape that faces them, ensuring standards across our regions and supporting each region by sharing technical knowledge. The group publishes technical papers which can be found on the advice page of the NEN website www.nen.gov.uk ^[1]

Default group content privacy:
