

## Sub-LRA Agreement

The Jisc's Certificate Service's Terms and Conditions (found here <https://community.jisc.ac.uk/library/janet-services-documentation/jcs-terms-and-conditions> <sup>[1]</sup>) includes a Sub-Local Registration Authority agreement. This is an agreement between the organisation as a member of the Certificate Service and Jisc, which is required as part of the service supported by QuoVadis CA, as the Certificate Authority signing issued certificates.

The Sub-LRA agreement can be downloaded in the link below (in PDF format)

Existing customers of the service are required to complete and return a form confirming the list of approved Management Contacts / Sub-LRA Officers. These can however be changed at any time thereafter through organisations' online Certificate Service accounts.
