

Learn more about Vscene

What's in this section?

You'll find lots of helpful guides on how to use Vscene, whether you're a user or an administrator. You'll find information and illustrations on the following:

- [Introduction to videoconferencing](#) [1] - all you need to know if you're just starting out
- [User registration](#) [2] - information for new users who are wishing to register to use Vscene, including eligibility.
- [Connection information](#) [3] - how to join a scheduled conference or virtual room, with the connection information panel
- [Vscene virtual rooms](#) [4] - all the information you need on how to use them
- [Support](#) [5] - how to get in touch with our friendly Vscene Support Team
- [Organisation](#) [6] - registration and management - all you need to know to register a new organisation, modify a existing organisation and managing user rights
- [Search](#) [7] - how to use Vscene if you're searching for a new user, organisation, scheduled conference, virtual room, or registered video system
- [Video systems](#) [8] - how to register, modify details and test your video system
- [Videoconference](#) [9] - scheduling and making changes - all you need to know to book a videoconference and make changes
- [Joining via a browser](#) [10] - useful information on testing and using your browser to join a videoconference
- [Joining via a browser \(Version 2, March 2017\)](#) [11] - information on joining and using the latest version of our videoconferencing interface
- [Recording](#) [12] - how to record your videoconference
- [Visimeet](#) [13] - what is visimeet and how to use it to join a videoconference?
