

Liberate

Group:

Liberate

Is the fully-managed cloud solution giving you access to eduroam, the UK Access Management Federation, and Assent in one simple easy-to-deploy service. Liberate allows you to mix and match your required services saving you time and resources.

Click [here](#) [1] to find out more, and to view our Liberate service video.

If you would like to contact the team please mail Liberate@jisc.ac.uk [2].
