

Visimeet

Visimeet

Visimeet offers an improved user interface along with better H.323 & SIP interoperability as well as the capability of extending down to hand-held devices. <http://janet.iocom.co.uk> [1]

The latest can be downloaded [here](#) [2]. For more information please see the [support guides](#) [3] provided by IOCOM. This is commercially available licensed software. If you would like to enquire about purchasing IOCOM software, please refer to the [IOCOM contact](#) [4] web page.
