## Joining a conference using desktop videoconferencing-please note this is under revision

Desktop Videoconferencing guest participants will automatically receive an email with details of the conference (see sample email below).

**You have been invited to join a videoconference.**

**Title:** Conference SE00119664

**Time:** 15:30 GMT+00:00 on 04/11/2014

**Organiser:** Joe Bloggs ([joe.bloggsja.net/01235](mailto:joe.bloggsja.net/01235) 123456)

**Your VC System:** v-scene desktop - provide my guest with a free software client

**Please dial-in using the details below:**

v-scene Desktop URL: [https://v-scene.ja.net/jsp/vc/vc000.jsp?key=5da82cf62b748fca7b629154094f40a70adf919e\[1\]](https://v-scene.ja.net/jsp/vc/vc000.jsp?key=5da82cf62b748fca7b629154094f40a70adf919e[1])

Please go to [https://v-scene.ja.net/jsp/bk/bk600\\_guest.jsp?REF=SE00119664&ID=GdZleucPjs0%3D\[2\]](https://v-scene.ja.net/jsp/bk/bk600_guest.jsp?REF=SE00119664&ID=GdZleucPjs0%3D[2]) if you wish to view further details.

**You can also:**

- change the video system you will use,
- request to have v-scene call out to you to join the conference
- decline the invitation.

If you can't see or click on the link in the previous sentence, please follow these steps instead:

1. Open your web browser.
2. Copy this URL: [https://v-scene.ja.net/jsp/bk/bk600\\_guest.jsp?REF=SE00119664&ID=GdZleucPjs0%3D\[2\]](https://v-scene.ja.net/jsp/bk/bk600_guest.jsp?REF=SE00119664&ID=GdZleucPjs0%3D[2])
3. Paste it into your web browser's address bar.
4. Press enter.
