

Strategic Development for NHSScotland Knowledge Services

Supporting healthcare for a networked era

Dr Ann Wales ~ Programme Director for Knowledge Management ~
ann.wales@nes.scot.nhs.uk

Overview

NHS Education's Strategic Framework for Knowledge Services

- Current status and future development plans
- Supporting health service priorities
- Service engagement

Challenges – wider context

Delivering for Health

Changing healthcare needs

- Ageing population
- Increase in chronic disease
- Increase in emergency admissions

Changing model of care (*Delivering for Health*)

- First principles – patient focus; addressing inequalities.
- Continuous and integrated across traditional boundaries
- Involving patient and carer
- Supported by high-level technology (EPR)
- Embedded in local communities
- Targeting health inequalities; improving health
- Educating and developing the workforce for service modernisation

Knowledge Services Response

Managing knowledge to support

- First principles:
 - Patient focus
 - Health inequalities
- Self-management and shared decision-making
- Delivery of care at point of local need
- Workforce modernisation
- An integrated NHSScotland – technology and knowledge management

Framework for Knowledge Services (1):

First principles

Vision:

Managing knowledge to support all stages of the patient journey

“From Knowing to Doing”: Applying knowledge to practice

- Clinical decision-making
- Addressing health inequalities

Specialist e-Libraries

MKN Sponsored (What is MKN?)	Non MKN Sponsored (What is this?)
Cancer	Biomedical Science
Coronary Heart Disease	Blood Transfusion
Diabetes	Dentistry
Equality in Care	Diet and Nutrition
General Practitioners	Estates and Facilities
Healthcare Associated Infections	Healthcare Assistants/Nursing Auxiliaries
Information Governance	Holistic Care/Complementary Medicine
Mental Health	Learning Disabilities
NHS GetInvolved	Librarians (under development)
Remote and Rural	Management
Stroke	Medicines Information

Back to top

The screenshot shows a web browser window displaying the eLibrary Clinical Search Engine. The search term "diabetic peripheral neurop" is entered in the search box, and the results are filtered to "Clinical Practice Support". The left sidebar shows a tree view of categories, with "Clinical Practice Support" and its sub-categories circled in red. The main content area displays a list of search results, including a meta-analysis on aldose reductase inhibitors, a question on screening for diabetic peripheral neuropathy, and questions about treatment options for painful diabetic peripheral neuropathy and evidence for Vit B12 injections.

- Inform decisions about future development

Equality in Care e-Library

The screenshot shows the Equality in Care e-Library website. At the top, there is a navigation bar with the 'elibrary' logo, user links ('my e-Library', 'Forgotten password?', 'Need to register?', 'Log in'), and the NHS Education for Scotland logo. A search bar is located on the right side of the header.

Below the header is a main navigation menu with the following items: e-Library Home, Search, Q and A, NHS Get involved, Shared Space, Library Services, and Help & Tutorials. A secondary row of links includes: Equality in Care Home, Journals, Books, Policy, Keeping up to Date, and CPD.

The main content area is divided into several sections:

- Equality in Care:** A purple box featuring a group photo of diverse people. Below the photo, it states: "Evidence and knowledge to support health and social care staff in:" followed by three bullet points:
 - addressing health inequalities
 - caring for the individual as a whole person
 - involving people in their own health and healthcare
- Search:** A light purple box with a search input field and a yellow 'search' button. It includes radio buttons for "Equality in Care resources only" (selected) and "All e-Library resources".
- Browse by Topic:** A list of topic links including: Advocacy, Age, Community Planning, Conditions, Disability, Ethnic Minority Languages: Patient Information, Ethnicity/ Race, Faith/ Belief, Gender, Homelessness, Improving health, Learning disabilities, Mental Health, Poverty and deprivation, and Sexual Orientation.
- Shared Space Get involved:** A pink box with the text: "A tool to help communities of healthcare staff, partners, patients, carers and public to work and learn together." It lists two links: "Equality in Care" and "Integrated and Collaborative Care".
- Features:** A pink box listing four features with icons: Activity Calendars, Contacts Directory, Discussion Forum, and Resource Sharing.
- Communities:** A pink box listing several community networks, including "Highland HealthVOICES Network - NHS Highland Public Partnership", "Patient Information Providers", "Care Home Learning Network (delete - transferred to SS)", "Lothian SMILE", "Librarians (transferred to shared space)", and "Practice Education (TEST SITE ONLY)".
- Quick Links:** A light purple box listing links to: Equal Opportunities Commission, Disability Rights Commission, Patient Focus and Public Involvement, and Fair for All: the wider challenge.

At the bottom left, there is a green box for "NHS Get involved" with the website URL www.nhsgetinvolved.com and a call to action: "Visit our sister site for: Information to help patients, carers and public to get involved in healthcare decisions. Get involved now →".

NHS Get involved

About : Health information : Shared Space : Search : News & Events : Service Directory

Get involved!

We're committed to helping patients and the public get involved in NHS Scotland. We're working to make sure:

- People get respect, are treated as individuals and get involved in their own care
- Individuals, groups and communities get involved in improving the quality of care, influencing NHS priorities and contributing to the way we plan our services
- New developments are designed for users, starting with getting people involved in the process.

 - Oncology (Basel)

The screenshot shows the elibrary website interface. At the top, there's a navigation bar with 'elibrary' logo, 'my e-Library', 'Forgotten password?', 'Need to register?', and 'Log in'. Below this is a 'Remote and Rural Care' banner with a 'Jump to Specialist e-library' dropdown and a 'Go' button. The main navigation menu includes 'e-Library Home', 'Search', 'Books', 'Keeping up to date', 'Shared Space', and 'Help & Tutorials'. A secondary menu below it includes 'Remote & Rural Home', 'Journals', 'Guidelines', 'CPD', 'Patient Information', and 'Library Services'. The page is divided into several sections: 'Quick Links' with a list of resources like 'BASICS British Association for Immediate Care Scotland'; 'Quick Search' with a search box and radio buttons for 'Rural resources', 'All e-Library resources', and 'Clinical Practice Support'; 'Browse by Subject' with categories like 'Conditions', 'Policy and Management', 'Practice', and 'Research and Statistics'; 'Announcements' with news items about webcasts and conferences; and 'Shared Space' featuring a map of Scotland with a 'Click on Scotland map to view area' prompt and a list of links like 'What's new', 'Access Shared Space', and 'Join Shared Space'. A 'View Demo' button is also present. At the bottom, there's a 'Related Specialist e-Libraries' section with 'Dentistry' listed.

The screenshot shows the NHS Shared Space website interface. At the top, there is a navigation bar with the NHS logo and the text "NHS Education for Scotland". Below this, the page title "Remote and Rural Shared space" is displayed, along with user information: "Text Only | Alerts + (24) | Logged in as Ann Wales | Log out". The main content area is titled "Scottish Community Hospitals & Intermediate Care Community Area". On the left, a sidebar menu lists various options: Home, Resources, Calendar, Contacts, Discussion, My profile, Join a community, Meeting Scheduler, and Admin Panel. The main content area features a "New Resources" section with a list of items: "Emergency Care framework for Child...", "Community Hospital Database", "SACH & Univ of Portsmouth US Course on 24 October 2006", "Shoulder Ultrasound - How to Perform?", and "The Scottish Association of Community Hospitals Annual Symposium on 27 October 2006". Below this is a "Discussion" section with a search bar and a "Discussion (recent additions)" link. At the bottom, there is a "Contacts directory" section with dropdown menus for "Subjects of interest" and "Organisations", and a search bar for "Search by name". On the right side, there are sections for "Calendar", "News", and "My profile". Three red boxes with white text are overlaid on the page: one around the "New Resources" section with the text "Sharing local and personal knowledge", one around the "Discussion" section with the text "Discussion", and one around the "Contacts directory" section with the text "Contacts".

mal-tension
 ; Kawase, K
 9-54, 2006 Sep

elderly patients with normal-tension glaucoma: A
 a, Tairo; Yamagishi, Kazuya; Yamabayashi, Shigeki.
 3-8, 2006 Sep

glaucoma in patients with Fanconi anemia.
 a, Dilani; Moore, Anthony T; Wormald, Richard P.

Unified Library Management System

- Online LMS for NHSScotland libraries.
- Global and independent / site-based views.
- Cross-searchable with e-Library.
- Improved resource access and resource sharing across NHSScotland.

- 40 library sites now signed up to Phase 1
- NHS, Higher Education and Voluntary Sector included
- Design of DMZ (Demilitarised Zone) with National Services Scotland to enable multi-sectoral administration and end-user access via Internet.

- Tender process nearing completion – implementation due to start in January.

Re-use of NES Metadata Management System

Consistency in information description and retrieval by NHSScotland organisations.
