Justification for a framework agreement the duration of which exceeds four years:

Janet(UK) is seeking to establish a single supplier framework to last for 10 years with a performance review after 7 years. The framework duration will exceed four years due to the investment in time and cost for the supplier and the long term commitment implied by an archive.

Estimated total value of purchases for the entire duration of the framework agreement (if applicable, give figures only):

Estimated value excluding VAT:

Currency: GBP

OR Range: between 5000000

and 20000000

Currency: GBP

Frequency and value of the contracts to be awarded (if known):

II.1.5) Short description of the contract or purchase(s)

Janet(UK) is planning to establish a single supplier framework to provide Data Archive to Tape as a Service.

The policies of research funders have created an atmosphere in which data is seen as a long term asset needing effective archive and curation. This in turn has highlighted a need for highly reliable archive storage services for a wide range of digital data.

For the purpose of this Framework, archive data is defined as data that is being preserved so it can be accessed in the future and is generally data that is being retained beyond the reason for which it was first created, for example after the end of a research project.

II.1.6) Common Procurement Vocabulary (CPV)

Main object [72500000] Computer-related services

II.2) QUANTITY OR SCOPE OF THE CONTRACT

II.2.1) Total quantity or scope (including all lots and options, if applicable)

The scope covers purchases by Janet(UK), Higher Education institutions, Further Education and Specialist Colleges and Research Council establishments in the UK, and by any other bodies whose core purpose is the support or advancement of further or higher education or of research.

Many of the above bodies are members of higher and further education purchasing consortia. These are independent organisations that provide a wide range of collaborative purchase agreements to their member institutions through consensus and the common desire to maximise their purchasing power in the market place. Any member of one of these consortia will be eligible to purchase from this Service by virtue of its membership, as will members of any other similar purchasing consortium in higher or further education that might be formed during the lifetime of the Service.

Membership lists for existing higher and further education purchasing consortia may be found at:
